ARM, INC. ANNOUNCES AGREEMENT WITH YARBROUGH SOUTHWEST ASSOC. INC.

ARM, Inc. is pleased to announce the appointment of Yarbrough Southwest Assoc. Inc. as Distributor for ARM's point-of-use purifier product line, including the popular Nova and Pro-Panel series purifiers, as well as bulk purifier and gas handling equipment. Yarbrough Southwest Assoc. Inc. is a distribution company that has been serving the semiconductor equipment industry for over 40 years.

"Yarbrough is a professional, driven organization focused on service to the customer's needs, and will be a great asset to ARM, in our goal to penetrate the semiconductor market" said Steve Wright, Sales Manager for ARM, Inc.

With offices in Dallas and Austin TX, Phoenix AZ, Portland OR, Malta NY, and Boise ID, Yarbrough is ideally situated in the major domestic semiconductor regions. In addition, they will be distributing ARM products throughout Taiwan from their Taipei location.

ARM Inc. designs and manufactures high purity gas purifiers and associated gas handling equipment for the industrial, semiconductor, energy, medical and pharmaceutical markets in the US and around the world.
